## **Minutes:**

Minutes from the January meeting were approved as printed. Executive Committee met briefly and discussed and update on the Christian Education Task Force and previous Council goals with Cheryl Simonson. We also were presented with a motion to hire Gaylene Davis as our church secretary; the Executive Committee approved and would bring motion to the council to approve the hire.

## **Finance:**

Jim Reese gave his monthly report. January was a good month; we met our financial obligations and had a little extra money left.

**Executive Council:** Gaylene Davis, church secretary, had a job review and is doing very well. Executive Council made the motion that Gaylene receive a raise in wages. The raise was approved unanimously.

## **Pastor's Report:**

Ron & Eileen Kuehl will attend the Synod Assembly in May.

## **Ministry Reports:**

Worship Committee - Worship plans for lent & Easter are in place.

## **New Business:**

We'll be working in two groups to continue with the business and planning we started in our January retreat.

Group A projects: There is a need for more handicap parking. Property and grounds concerns were discussed, including the possibility of painting the fellowship hall and new chairs and counter tops for the fellowship hall.

Group B projects: We should have a second person that knows how to make changes to our church website. The confirmation mentoring program is doing well.

Photos of Our Savior's young people, from pre-K to under 18 years, will be displayed on a bulletin board with the opportunity for families to post their child's activities. Members of the congregation can take advantage of the opportunity to attend these activities.

We'd like to start a weekly offering during Sunday school. Funds collected would go toward a cause that the students choose.

Respectfully submitted,

Elaine Kratz  
Council Secretary
